MINNESOTA BULLETIN NO. 180-8-2

SUBJECT: CPA – ON-FARM COMPARISON OF CONSERVATION TILLAGE SYSTEMS

Purpose. To distribute copies of this publication.

Expiration Date. September 30, 2008.

Under separate cover, each field office will receive several copies of the University of Minnesota Extension publication On-Farm Comparison of Conservation Tillage Systems for Corn Following Soybeans.

This publication presents results of on-farm yield trials conducted across southern Minnesota and provides management tips for conservation tillage. Additional copies of this publication are available on the Minnesota Extension Service web site at:

<http://www.extension.umn.edu/topics.html?topic=4&subtopic=15>

The state office does not have additional supplies of this publication.
